UNSUBS, carrying flashlights. One individual in possession of large automatic pistol. UNSUBS brought all victims to Mr. and Mrs. BUELL's bedroom and had Mrs. BUELL accompany one UNSUB through residence in search of jewels and other valuables. Approximately \$1,800 in cash was taken; \$2,000 in American Express Money Orders; the last being valuable jewelry.

UNSUBS, after search of residence, locked four victims in hallway linen closet. Victims believe UNSUBS remained in house for period of time, departing at approximately 5:30 a.m.

UNSUBS left in BUELL's 1961 Cadillac. Cadillac recovered evening of 8/17/67 in residential area approximately 2½ miles southeast of victim's residence.

American Express Money Orders later recovered, 8/17/67, vicinity of Valley Highway, main north and south freeway in Denver area.

Location of checks approximately four or five miles west of place of abandonment of automobile.

UNSUBS broke small window pane in French door of residence sun room to enter home. UNSUBS previously attempted to use torch to apparently burn or melt putty around window pane but instead, caused wood around pane to burn.

It is believed UNSUBS then broke the window to gain entrance. Victims were not harmed and treated carefully. Victims were to have left for New York City on morning of 8/17/67 and therefore, had more money in residence than usual.

Among items taken was a \$3,000 gold coin bracelet which bore a 16 century Spanish Doubloon and a Queen Victoria \$20 gold piece; a thirteen carat, square cut, diamond ring valued at \$20,000; a solid gold Patek-Phillippe chronograph men's wristwatch with a solid gold heavy bracelet valued at \$2,500.

UNSUBS described as:

DN 87-12219

- #1 -      Age:      Approximately 25  
         Race:      White  
         Height:    5'11"  
         Weight:    175-200 pounds  
         Voice:      Coarse, used harsh language;  
                     carried pistol in belt
- #2 -      Age:      Early 20's  
         Height:    5'6"  
         Weight:    140-150 pounds  
         Voice:      Polite and used good speech;  
                     carried a gun possibly identified  
                     as 9 mm Browning with large barrel.

UNSUBS addressed each other as "Number One" and "Number Two," except on one occasion when "Number Two" called "Number One", [ ] and was told to "shut up" by Number One.

b6  
b7C

Both UNSUBS wore black ski-type masks with red knitting around eyes; black medium weight wool sweaters with round neck; and black trousers. UNSUBS both wore black wool gloves and Number 2 wore expensive looking black suede shoes.

All offices receiving copies are requested to contact logical police departments for any robberies or similar MO's. Contacts with logical CI's and PCI's and other sources are requested for any information which may concern this robbery.

Enclosed for each office and the Bureau is one copy of list of items taken in this robbery.

UNSUBS SHOULD BE CONSIDERED ARMED AND DANGEROUS AS BOTH WERE ARMED AT TIME OF ROBBERY.

DETAILS:

Investigation in this matter was predicated upon receipt of information from the Denver, Colorado, Police Department, that during the early morning hours of August 17, 1967, armed gunmen had entered the residence of TEMPLE BUELL, 106 South University Boulevard, Denver, and had taken approximately \$700.00 in cash; \$2,000.00 in American Express Company Money Orders, and the remaining in jewelry, for a total of approximately \$57,000.00.

TEMPLE BUELL is a wealthy Denver philanthropist who has large real estate holdings in the Denver area and operates an architectural firm. BUELL received nationwide publicity approximately one year ago when he donated twenty-five million dollars to the Colorado Woman's College at Denver, which is now named Temple Buell College.

## FEDERAL BUREAU OF INVESTIGATION

1.

Date August 25, 1967

On this date Agents went to the TEMPLE BUELL home at [redacted] Denver. This home, which is surrounded by a practically six-foot fence, is on a four acre site and is situated south, approximately one block from the [redacted]. A search was made of the entire outside area of the house, including the grounds and out building and nothing of an evidentiary value was located. The perimeter of the fence line was searched and there was no indication of entry into the grounds around the perimeter of the fence. No tire tracks or footprints were located in the vicinity of the perimeter of the fence. Entry to the grounds is through a large pair of gates off of [redacted] which it is ascertained are never closed. The residence is set back approximately 200 feet from [redacted] and is surrounded with old large trees. The residence cannot be readily observed from [redacted].

b6  
b7C

The inside area of the home was searched and nothing of an evidentiary value was located in this search. The Denver Police Department had processed the residence, but because both subjects wore gloves, no prints were located.

A search of the residence indicated that the subjects had gained entry into the home through a sunroom located on the southeast corner of the residence. Entry was apparently gained through breaking a pane glass approximately eight by ten and opening the door from the inside. It appears, however, that prior to breaking the glass the subjects attempted through the use of a torch to melt the frame work around the pane, possibly assuming the pane was held in place by putty. The pane, however, had a wooden sash and it appeared that the wood had actually been set on fire. Paint on the inside of the pane was blistered to some extent and there were two spots on the inside of the door sash which appeared to be burnings from a torch as they had penetrated into the wood to some extent and had burned

in a manner that appeared to be from a point of heat. Since it appeared that this method failed, the subjects thereupon broke the pane and gained entry to the residence.

A search was made of the garage which had housed the 1961 Cadillac which had been taken by the subjects in their departure from the residence. Nothing of value was obtained in this search. It appeared that the doors to the garage had remained open by the family and had not been closed after placing their cars in the garage the previous day. Mr. DUELL's car was a 1967 Lincoln Continental and Mrs. DUELL's was a 1961 Cadillac.

An entire search of this area failed to locate any material or information that would assist in identifying the unknown subjects.

## FEDERAL BUREAU OF INVESTIGATION

Date

(1)

TEMPLE H. BUELL advised he is the founder of the Buell Architecture Firm in Denver and that he is the owner of the Cherry Creek Shopping Center, Denver. He stated he has resided at his present residence, [REDACTED] Denver, for approximately six years. He stated during this residence, he has never had any problem with prowlers or unwanted visitors at any time.

He advised that during the early morning hours of August 17, 1967, he was awakened by a bright flashlight being shined in his face. He stated that although his room was dark, he was able to identify an unknown man standing over his bed. He also noted that on the other side of the bed was an individual with a bright flashlight, shining this light into the face of his wife, who was not awake. He stated that the individual said, "this is just a robbery, b6 Temple, do as you are told and you will not be harmed." b7C He stated that a light was thereupon turned on in the bedroom and he could observe the two unknown subjects, both dressed in black ski masks with red stitching around the eyes, black sweaters, black pants, and dark shoes.

The Number Two individual, who seemed to take orders from Number One, had an automatic weapon in his hand and it appeared to Mr. BUELL that Number One had possibly a weapon of some sort concealed in his belt underneath his sweater.

He stated that he and his wife were questioned as to who else was in the house and were asked where their quarters were. He stated the Number One individual then left the room, after learning of his stepdaughter's room's location, [REDACTED] and returned to the room with her. She, Mrs. BUELL, and Mr. BUELL were then forced to

lay on the bed on their stomachs. The Number Two man then departed and shortly thereafter returned with [redacted] the BUELL housekeeper, and she was forced to lay on her stomach on the couch in the bedroom.

b6  
b7C

He stated for the most part, the robbers were courteous and did not harm any of the individuals in his home. The Number Two individual then ordered Mrs. BUELL to accompany him and to show him where any valuables were concealed in the bedroom and dressing room area. Mr. BUELL was forced to remain on his stomach during this entire period and therefore he stated he was unable to get good looks at the individuals committing this robbery.

He stated he heard these individuals ask Mrs. BUELL where her husband's billfold was. She had replied she did not know, whereupon they questioned her further indicating she was possibly lying. He thereupon volunteered the location of his billfold, stating it was in a suit which was hanging in an adjoining room on a suit tree. He stated one of the robbers went to the suit, located the billfold, and in a voice of exclamation, stated, "My God, there's a thousand dollars in here."

Mr. BUELL stated that there was actually \$700.00 in his billfold. He stated the robber thereupon stripped the billfold of its contents, throwing credit cards, identification cards, and other contents on the floor of the bedroom. He advised that because of his position on the bed, he was unable to furnish much more information concerning these individuals, other than that they continually ask where the safe or wall safe was located and had appeared surprised to locate as much money in the house as they had.

He stated that he and the three women were then locked in a linen closet between the first and second floor and he felt that they were in the closet for an hour to an hour and a half. He stated that on one occasion, the robbers

DN 87-12219

(3)

had a roll of adhesive tape and indicated they were going to bind his hands and legs, but seeing the ace bandages on his leg, which he wears because of an arthritic condition, they declined to tape him.

He stated that they eventually broke out of the closet and found that the robbers had torn out the wires to two phones in the house but had neglected to tear the wires loose on a phone that was located on the first floor. He stated that after escaping from the closet, they immediately called the police, who responded almost immediately to their call.

He advised that the robbers had taken a pillow case and had put the jewelry and money they had taken in the pillow case, prior to departing from the residence. He further stated that the subjects had asked about automobiles in Mr. BUELL's possession and requested the keys to the "smaller car." Mr. BUELL advised the robbers that he had a Lincoln and a Cadillac and that they were therefore given the keys to the Cadillac.

He stated he could not be sure when the robbers left the residence but felt that the robbers had remained in the home for approximately one hour after they had been locked up. He estimated the time of the unknown subjects entry into the residence between 3:30 and 4:00 A. M. and their departure approximately 5:15 to 5:30 A. M.

He advised that he had numerous pieces of sterling silver scattered throughout the house and in addition had a valuable painting, which was hanging in the main floor living room but that neither the silver nor the painting had been taken by the robbers.

DN 87-12219

(4)

Mr. BUELL stated that he did not have any particular suspects in this matter and that he had had no recent problems with any present or past employees. He stated that he had had no business problems of any sort that he felt would be a source for such an action as this.

Mr. BUELL stated that he, his wife, and his stepdaughter had been scheduled to depart from Denver on the morning of the 17th to fly to New York, but because of the robbery they would delay their departure for another day.

Mr. BUELL stated that he could best describe the Number One robber as approximately 20 - 30 years of age; 5'7 - 10"; 130 - 170 pounds; with the Number Two man being somewhat smaller and who also appeared to be more polite than the Number One man.

He stated he was positive both of these individuals were of the whiterace, as he could observe the skin around their eyes through their masks. He stated that at various times, they called him Mr. TEMPLE and sometimes Mr. BUELL.

He stated that he was positive there had been no mention of the date of his departure for New York City, in the local newspapers, although he stated his wife had indicated one newspaper article in the Denver Post had indicated his stepdaughter, [REDACTED] was returning to New York.

## FEDERAL BUREAU OF INVESTIGATION

1.

Date August 25, 1967

[redacted] advised that in the early morning hours of August 17, 1967, she was awakened by a bright flashlight shining in her eyes. She later estimated the time to be 3:30 to 4:00 a.m. She advised that after she had awakened sufficiently she could identify an unknown man at the side of her bed with the flashlight. She also observed a man on the other side of the bed shining a light into her husband's eyes who had also awakened. She stated the individual on her husband's side of the bed advised, "This is a robbery, TEMPLE. We won't hurt you if you do as we say." She stated that lights were thereupon turned on and she could observe the two individuals completely.

She stated that number one, who appeared to be 25 to 30 years of age, seemed to be the leader and number two was younger, probably 20 to 25 years of age. She stated both were masked in black ski masks, with red trim around the eyes. She stated that both wore black wool sweaters and black trousers. She stated that number two wore an expensive looking suade shoe. She stated that she recalled on the bottom of one of his shoes she could observe what appeared to be two gold objects in the sole of the shoe that appeared to be gold headed thumbtacks, but were unusual in that she had never observed any similar such item in a sole of a shoe.

b6  
b7c

She stated that she was asked by number one, who was in the home at this time and she advised that her daughter, [redacted] and their housekeeper, [redacted] were the only other occupants in the home. Number one, after receiving directions to [redacted] room, which is near by Mr. and Mrs. BUELL's room on the second floor, left and returned with [redacted] and ordered her to lie down on the bed next to Mrs. BUELL. Number two, after learning of directions to [redacted] room on the first floor, left and returned with her and ordered her to lie down on a nearby couch. [redacted] was then ordered to accompany number two

throughout the bedroom and into her adjoining dressing room where she was ordered to show number two where her jewelry was kept. She advised that she showed him where some of the jewelry was kept and that he found some on his own searching. She advised that none of the jewelry was costume and was for the most part solid gold and jewels. She stated that she tried to engage number two in conversation and gave him an indication of cooperation in that she attempted to not show any fear. She asked him what he did for a living and he advised he was a college student and conversation of this nature. She stated that he was for the most part polite with her and that he did not harm her in any way.

While searching in her dressing room, number one came into the room and asked number two if he had searched all the drawers in a particular chest of drawers. He indicated that he had searched the entire chest, but Mrs. BUELL stated that he had not and as a result he had failed to locate an extremely valuable ruby necklace with matching earrings and rings. She could give no reason why number two advised number one that he had searched the entire chest when he had failed to do so. She stated that they had taken her husband's billfold and obtained approximately \$700.00 from that billfold and approximately \$100.00 in cash from her purse. She stated that they removed a pillow slip from one of her pillows and placed all of the jewelry and money in this pillow case. The pillow slip which was linen, was monogrammed "VTB".

After searching the residence the subjects began to tape the four victims with a roll of tape that one of the individuals had in his pocket. When Mrs. BUELL complained that her husband's legs were quite sore and that he suffered from arthritis, they then wanted to know if there was a closet in the house that could be locked.

Prior to taking the victims to a linen closet between first and second floor, these individuals asked for the keys

DN 87-12219

3.

to the cars belonging to the DUELLS and also wanted complete information concerning the telephone system in the house. They stated they would take the keys to the little car and were given keys to a 1961 Cadillac which Mrs. DUELL usually drove. The victims were thereupon locked in the linen closet between the first and second floors. Mrs. DUELL stated they were in the closet approximately one hour and eventually broke the door case and escaped from the closet. She advised that they located a telephone on the first floor from which they got a dial tone and immediately called the Denver Police Department. She estimated the time of their escape from the linen closet to be approximately 5:30 a.m.

She stated that when they found this phone that the phone was off the hook. It was her belief that the subjects possibly had made a call out and had neglected to hang the phone back on the receiver.

On one occasion while the individuals were in the residence, number two said to number one, "Hey, [redacted] Number one immediately said "shut up" to number two and other than that they called each other number one and number two.

b6  
b7c

Mrs. DUELL described the number one man as 25 to 30 years of age, five feet eight inches to five feet eleven inches tall, 170 to 180 pounds, speech was rather harsh and not particularly polite.

Number two she felt was 20 to 25 years of age, five feet six inches, 130 pounds, quite polite and rather soft spoken. She advised that she is positive both of these individuals were white in that she was able to observe the skin surrounding their eyes and this was white. Other than this area around their eyes she did not observe any of the skin area of these individuals. Both wore gloves and she believed them to be quite professional in their actions.

DN 87-12219

4.

Mrs. DUELL advised that she could recall no information concerning any individuals that she would suspect of committing this crime. She stated they have not had any particular problems, to her knowledge, with any associates or people that have been employed by Mr. DUELL and that their only house employee is [redacted] and she has been employed with them for approximately two years.

b6  
b7C

She advised that Mr. DUELL and her daughter [redacted] and herself were to fly to New York City on the morning of August 17, 1967, and that, therefore, they had a little larger sum of money on their person for the trip and all of their luggage was exposed, ready for packing at the time of the robbery. She stated that she is positive there had not been any information in the society pages of the Denver newspapers concerning their departure for New York. One article she had seen indicated that [redacted] was departing for New York, but no date for her departure was given.

Mrs. DUELL later made available a list of the items of jewelry stolen from her during this robbery. This list, which included approximately \$1,800.00 in cash and four 500 denomination travelers cheques and the value of the jewels taken, totaled \$57,697.50.

## FEDERAL BUREAU OF INVESTIGATION

1.

Date August 25, 1967

[redacted] advised she is the daughter of [redacted] and that she had been visiting at her mother's residence since August 10, 1967. She stated her home residence is [redacted]

[redacted] Venezuela, telephone [redacted]. She stated that she had intended to return to New York City on August 17, 1967, to join her children, who had been to Europe with their father, from whom she is now separated. She stated after a weekend in New York City, she was returning to Venezuela.

She stated that during the early morning hours of August 17, 1967, she was asleep in her bedroom and that she had gone to sleep while reading and had left her lights on. She advised she had been up until approximately 1:00 in the morning, having watched a late television movie. She then retired and had gone to sleep reading. She stated that at a time which she could not positively estimate, she was awakened and she does not recall how she woke up, but she observed a man standing with a black ski mask on his face with a large gun in his hand. He told her to come into the other room and she requested a bathrobe, which he obtained for her from an adjoining bathroom. He forced her to go into the bedroom of her mother and stepfather and told her to lie down on the bed with her mother and stepfather. He indicated that they were "going to rob us and that we were not to look at them". She stated then the smaller of the two individuals, whom she described as number two, returned after having awakened the housekeeper, [redacted] and forced her to lie down on a nearby sofa in the same bedroom with the other three victims. She stated that number two then went with her mother into her mother's dressing room. Number one stayed with them and he too had a gun which he used in a threatening manner and stated, "Don't look at me."

Number two and her mother returned with a pillow slip containing, which she later learned was Mrs. DUELL's jewelry. They also obtained money from Mr. DUELL and took all of his cufflinks and tie pins which were in a small chest in the bedroom. These individuals continually asked where the wall safe was and if there was a safe in the house, but were told there was no such safe and these individuals acted as if they did not believe the victims. She then advised the individuals if they thought all of the jewelry which they had obtained would be lying around the bedrooms if there was a wall safe in the house and this seemed to satisfy the robbers that there was not a safe.

Number one then took her mother into [redacted] room, at which time he took approximately \$100.00 from her wallet. He then took [redacted] into her room, at which time they obtained the jewels in her possession which were in a suitcase which she had brought with her from Venezuela.

b6  
b7c

She stated that for the most part the individuals were fairly polite, with the exception that on a couple of occasions they called her mother a "bitch" and this was primarily over the location of the alleged wall safe. She stated that number one was somewhat cool while number two appeared to be quite polite and number one seemed to be the boss of the two. She stated that they were thereupon locked in a linen closet on the landing between the second and first floors and she felt that they had remained in there approximately one hour. She felt that it was probably about 5:30 a.m. when they finally broke out of the closet as it was becoming daylight and was quite bright outside. [redacted] stated that she felt the individuals were familiar with the house and while she stated that her mother told her later she had given them rough directions as to how to get to [redacted] room and [redacted] they did not seem to have to waste much time and seemed to be fairly familiar with the layout of the house.

[redacted] stated that these individuals were not at all familiar to her and that she had no idea who they were.

b6

She stated that she has not lived in Denver and that she has been out of the country for a number of years, only returning to the country for visits. She stated if needed she could be contacted at the residence that she had previously furnished.

Date September 5, 1967

(1)

[redacted] advised she is the housekeeper for the TEMPLE BUELL family and that she resides at the family residence, [redacted] Denver. She advised that she has been with the family two years.

b6  
b7c

She said that concerning the robbery, that she had arisen at 3:00 A. M. on the morning of August 17, 1967, and gone to the bathroom which adjoined her quarters in the BUELL residence. She stated she was up for only a few minutes, whereon she returned to bed and she believes went immediately to sleep.

She stated that after a period of time that seemed to be 15 to 20 minutes, although she cannot be positive, she was awakened by a bright flashlight shining in her face. She stated she was alarmed and she looked up and observed the outline of an individual over her bed with a flashlight.

This individual told her not to make any noise but to accompany him to Mr. and Mrs. BUELL's bedroom. After going to the second floor from her quarters, which are on the first floor, she entered the BUELL bedroom and found Mr. and Mrs. BUELL and Mrs. BUELL's daughter, [redacted] all laying face down on the BUELL bed. She was also ordered to lay down on the bed by another man who was in the room, apparently guarding the BUELLs'. Since there was not much room on the bed she was told to lie face down on a couch that was nearby.

She stated that Mrs. BUELL was thereupon ordered to accompany one of the individuals through the bedroom area and dressing room area of the master bedroom. Mrs.

Number One was approximately 25 - 30 years old; 5'6"; 170 pounds; spoke rather harshly and at times used obscene language. He was dressed in a dark ski mask, black sweater, black pants, and black shoes,

Number Two was approximately 20 - 25 years old; 5'4"; 130 - 135 pounds; seemingly polite and spoke softly; he also wore a dark ski mask with black pants, black sweater, and wool gloves. She stated that she believed this individual's hair was black and cut short, as when he had aroused her from her bed she could tell that the top of the ski mask was cut away and part of the top of his head was exposed, showing his hair.

She stated both individuals talked and asked questions about the safe in the house and were repeatedly told that no safe was in the residence. She stated that on one occasion Number Two called Number One, [redacted] at which time he was severely reprimanded by Number One for using the name.

She estimated that after about an hour of searching in the residence all of the above mentioned individuals were taken to a linen closet on a landing between the second and first floors and were locked in this closet. After about one hour in the closet, she stated they broke the door frame and escaped. She estimated the time of their exit from the closet to be about 5:30 A. M.

[redacted] stated she was positive that these individuals were white, as she was able to see the outline of skin around their eyes through the ski masks.

[redacted] advised that there had not been any strange phone calls other than that recently there had been a number of calls whereupon the phone being answered, the caller hung up. She stated there had not been any strange visitors to the residence nor had there been any repairmen or outside individuals in the home for some time. She stated that BUELLS' had given two large parties on August 4 and 5, 1967, one being for people associated with the Temple Buell College, which numbered approximately 230 guests; and another, the employees of the Cherry Creek Shopping Center, which numbered approximately 130 guests.

b6

She stated that at these parties, no guests had been in the house to her knowledge, as both parties were held in a large tent on the three-acre lawn to the rear of the residence.

[redacted] advised that the voices of the Unknown Subjects were not at all familiar to her and she would have no idea who the individuals committing the robbery were.

On August 17, 1967, the Denver Office received an anonymous telephone call from a male individual who stated he had heard of the BUELL robbery and stated he knew of a similar robbery having been committed at Galesburg, Illinois. The Chicago and Springfield Offices of the FBI were advised of this information and these offices then furnished information indicating that [redacted] had been suspects in a number of such burglaries and robberies in the Illinois area and they thereupon became prime suspects in this matter.

b6  
b7C

The Chicago Office advised that the Criminal Intelligence Unit (CIU) of the Chicago Police Department was affording continued surveillance to these individuals in an effort to develop information concerning their activities.

On September 8, 1967, the Denver Police Department, Denver, Colorado, advised that [redacted] had been arrested by the Alton, Illinois, Police Department, after having been observed in a residential area in the early morning hours of September 8, 1967. The subjects left their automobile and disappeared into a residential area, being away from their automobile approximately five hours. Local police maintained a surveillance of the automobile and upon the return of the subjects to the automobile, they were placed under arrest. At this time, the subjects were in possession of two .45 caliber automatics, black clothing, black ski masks, surgical tape, and a butane torch. The Chicago Office advised on September 11, 1967, that [redacted] and [redacted] left Chicago on the afternoon of September 6, 1967, and had been surveilled by CIU detectives to St. Louis and thereupon surveilled to Alton, Illinois, where they were ultimately arrested by local authorities. The Springfield Office advised on September 12, 1967, that upon their arrest, [redacted] and [redacted] had numerous burglary tools and several rolls of surgical tape in their possession. Some tape was new and other tape appeared to be used.

On September 13, 1967, the Chicago Office advised Sergeant [ ] CIU, Chicago Police Department, advised on September 13, 1967, that one [ ] a known associate of [ ] had been interviewed by Sergeant [ ] stated he had accompanied [ ] when they had departed Chicago on August 13, 1967, in [ ] 1966 Cadillac sedan. [ ] advised this trio traveled to Cheyenne, Wyoming, staying a short time before traveling to Denver, Colorado. [ ] registered all three at a motel on a main thoroughfare, which was on the same side of town as the BUELL residence. [ ] had described the appearance of the motel but did not know the exact location. [ ] indicated he had an argument with [ ] and refused to go on any scores with them.

b6  
b7C

On the night of August 16-17, 1967, [ ] stayed at the motel and [ ] left. He stated at about 5:00 A.M. on the morning of August 17, 1967, [ ] and [ ] returned to the motel, awakened him, and all three thereupon left Denver and drove straight through to Chicago, arriving about 10:30 P.M.

The Chicago Office advised that the CIU, on the evening of August 17, 1967, contacted [ ] at approximately 11:00 P.M. and interviewed him concerning another robbery and caused the search of his automobile. No loot of any nature was found either on [ ] or the automobile.

The Chicago Office has subsequently advised that [ ] has not disappeared from the Chicago area and his present location is unknown.

On September 18, 1967, Detective [ ] of the Denver, Colorado, Police Department, advised that he, with Mr. and Mrs. BUELL, flew to Alton, Illinois and observed the burglary items recovered from [ ] at the time

DN 87-12219

of their arrest by the Alton, Illinois, authorities. [ ] stated that Mr. and Mrs. BUELL felt they could make a positive identification of the ski masks in possession of subjects as being identical with the masks used in the robbery of their residence. The BUELLs further stated the clothing and weapons in possession of subjects at Alton appeared to be identical with those used in the robbery. Tape in the possession of subjects in Alton was made available to the Denver Police Department and the results of the comparison of this tape with the tape found at the BUELL residence is unknown at this time.

[ ] advised that local warrants were issued, based on the BUELLS' information and detainers were filed by the Denver Police Department against subjects.

On September 18, 1967, the Chicago Office advised they had determined [ ] had made bond at Alton, Illinois, and his present whereabouts were unknown. The Chicago Office further advised they had been unable to locate [ ] [ ] for interview.

b6  
b7C

The Springfield Office advised on September 18, 1967, that as of that date [ ] was still in custody but [ ] had posted a cash bond of \$1,500.00 and was released. The Chicago Office thereupon advised on September 22, 1967, that [ ] appeared in Chicago on the day he had made bond at Alton, September 15, 1967, and left his car and all identification, immediately departing Chicago.

The Chicago Police Department advised they had learned [ ] was possibly seen by relatives in North Carolina. Investigation conducted to date has failed to locate [ ] or [ ]. Further, none of the loot taken from the BUELL robbery has been recovered to date.

DETAILS:

Investigation in this matter was predicated upon receipt of request by the United States Attorney's Office at Denver, Colorado, requesting the assistance of the FBI to locate the subject, based upon a request received by that office indicating the subject had fled the State of Colorado to avoid prosecution for the crime of robbery. The Denver Police Department has previously indicated that [redacted] based on information known to that Department was responsible for the armed robbery of Mr. and Mrs. TEMPLE BUELL at their residence in Denver, Colorado in August 17, 1967. After the robbery of the BUELL home, the subject fled to the State of Illinois to avoid Denver authorities. Mr. BUELL is a wealthy Denver resident and in the recent past contributed \$25,000,000.00 to

DN 87-12392

a girls school in the Denver area.

On February 6, 1968, the facts of this case were discussed with Assistant United States Attorney [redacted] who authorized the filing of an Unlawful Flight to Avoid Prosecution complaint against [redacted] which complaint was filed before United States Commissioner HOWARD E. ERICKSON by Special Agent DOUGLAS J. WILLIAMS on February 6, 1968. The complaint and warrant were issued this same date and bond was recommended in the amount of \$50,000.00 returnable to Denver. [redacted] was charged with flight from Denver, Colorado to Alton, Illinois on or about September 9, 1967 to avoid prosecution for the felony crime of robbery.

By communication dated March 7, 1968 the Chicago Division advised the following:

for over four months. He said at one point he was in jail because he could not make a \$150.00 bond and his brother failed to put up the bond money. He said that he has had no contact with his brother since the time his brother failed to appear for a hearing in Edwardsville, Illinois. [redacted] also mentioned that he had heard through his family that either his brother, [redacted] or his brother-in-law, [redacted] had driven [redacted] on the day of his hearing to Springfield, Illinois, where he allegedly took a train out of Springfield. He said if he developed any information concerning his brother's whereabouts, he would immediately notify the Chicago Office of the FBI.

On March 6, 1968, Sergeant [redacted] advised that [redacted] may be associating with several burglars in the Alton, Illinois area. He said Lieutenant [redacted] of the Alton, Illinois Police Department, knows the identity of [redacted] current associates.

[redacted] stated he did not expect the subject to contact him as he is described in the family as an "outlaw". [redacted] advised he would turn the subject in should he learn of any information about him.

[redacted] advised on March 19, 1968 that he had not heard from the subject since he was previously

Subject with accomplice was in victim's residence for approximately two hours having arrived at about 3:00 a.m. and departed sometime after 5:00 a.m. Victims, prior to subject's escape, were locked in a linen closet and did not effect their escape for approximately 30 minutes. Subject and accomplice were believed to have been dropped off in neighborhood of victim's residence and thereafter walked into the area of the residence. Upon leaving victim's home, subject took keys to the victim's Cadillac and left residence in his car. This automobile was recovered approximately 2½ miles from victim's home and as was subsequently learned, found within one block of motel where subject had been residing while in the Denver area.

The following additional background data has been developed concerning [redacted]

b6  
b7c

It should be noted that [redacted] FBI Identification Record lists approximately three pages of arrests. This Identification Record reflects that [redacted] has never been arrested outside the State of Illinois. It appears that [redacted] trip to Denver in August, 1967, is the only known travel to this city by [redacted] and, therefore, additional background data, other than that which has been previously furnished to the Bureau, is extremely limited to the Denver Division.

#### OCCUPATIONS:

Information in the Denver files indicate that [redacted] has been employed as a barber, a laborer, a welder, a bartender, and a mechanic.

#### CLOTHING:

During the robbery at Denver in August, 1967, [redacted] was dressed in black or dark pants, sweater, and shoes.

#### MODUS OF TRAVEL:

DN 87-12392

victim's residence in an older, smaller model car which belonged to the victim.

MISCELLANEOUS:

Investigation conducted at Denver had indicated the subject stayed at a motel while in Denver which was within 2½ miles of the victim's residence and in the same general area of Denver. In leaving the victim's residence after the robbery the subject took the victim's loot in a pillow belonging to the victim's family. In departing the victim's residence, the subject had access to many valuable paintings and a number of extremely valuable large silver items. The subject passed up these valuables in order to take only what he could place in a pillow case.

DETAILS:

FACTS OF OFFENSE

During the early morning hours of August 17, 1967, Mr. TEMPLE BUELL, a wealthy Denver philanthropist and holder of large real estate holdings who in 1966 donated \$25,000,000 to a local Denver college, along with his wife, daughter and a housekeeper were awakened by two masked gunmen in their residence who tied up Mr. BUELL with adhesive tape and forced the other victims to recline on a bed in the master bedroom. While one of the gunmen guarded the victims the other forced Mrs. BUELL to accompany him throughout the residence and thereupon ransacked the residence of various valuables. After approximately two hours in the victim's home the gunmen locked the victims into a linen closet and left the residence at approximately 5:30 a.m. When leaving the gunmen took Mr. BUELL's 1961 Cadillac from the garage and this automobile was later recovered abandoned approximately two miles from the victim's residence. Subjects departed victim's residence with approximately \$57,000 in cash and other valuables.

In September, 1967, [ ] with another individual was arrested in Alton, Illinois, and thereafter became the prime suspect because of his modus operandi in the BUELL robbery. The BUELL's thereafter flew to Springfield, Illinois, and identified the masks, tape and clothing of [ ] as being what they believed to be identical with items used by the gunmen who had robbed them in August, 1967. Based on this information and Laboratory information that identified tape recovered on [ ] at the time of his arrest in Alton with tape used in the BUELL robbery, local armed robbery charges were filed against [ ] for the BUELL robbery. [ ] was thereafter released on bond and immediately disappeared.

b6  
b7CFEDERAL PROCESS

On February 6, 1968, the facts of this case were discussed with [ ] Assistant United States Attorney, Denver, Colorado, at which time [ ] authorized the filing of an unlawful flight complaint against [ ]. On this same date before United States Commissioner HOWARD E. ERICKSON, a complaint for violation of United States Code, Title 18, Section 1073, was filed by SA DOUGLAS J. WILLIAMS.

This complaint charged that [ ] moved and traveled in interstate commerce from Denver to Alton, Illinois, for the purpose of avoiding prosecution under the laws of the State of Colorado for the crime of robbery, a felony, and conspiracy to commit robbery. Bond on this charge was recommended at \$50,000.

PERSONAL HISTORY AND MODUS OPERANDI

[ ] who was born at [ ] Illinois, and has been a long-time resident of Illinois, has been suspect in numerous home burglaries and robberies throughout the United States. He has an Identification Record and arrest record dating back to 1945 for various larceny, robberies and burglaries and has served time in the Illinois State Penitentiary at Joliet, Illinois. [ ] has never been arrested outside the State of Illinois.

b6  
b7C

[ ] has in the past prior to committing a robbery or burglary has selected a wealthy victim and thereupon obtained motel lodgings in the vicinity of the victim's residence. Thereafter, after selecting a victim, he has been known to enter the victim's residence in the early morning hours and thereupon rob the victim he has selected. His usual modus operandi is to bind the victims with adhesive tape. He has usually gained entrance to the residence by breaking a window and unlocking the door. The Springfield Office has advised that on occasion [ ] has been very vicious and has beaten some of his victims.

In the case of the Denver robbery, [ ] took only those valuables that could be carried in a pillow case and passed up numerous valuable paintings as well as very expensive silverware.

## DETAILS:

The Springfield Office advised that [redacted] who was in custody on various charges at Watseka, Illinois, was interviewed by Bureau Agents. [redacted] furnished information concerning various violations and was then questioned about [redacted] He stated [redacted] had been a partner with him in a bar known as the F & Z Lounge. This bar was located on Armitge Avenue, Chicago, Illinois, approximately one year ago. [redacted] said he had not seen or heard from [redacted] since that time and his present whereabouts were unknown. [redacted] further stated he

had previously been questioned by the Chicago Police Department and he was aware that various law enforcement agencies were looking for [redacted] stated he had never "ran" with [redacted] and his friends.

The Butte Office advised on May 23, 1969, that the subject had been observed at Missoula, Montana, traveling with a female companion in a 1968 blue Plymouth, Nevada license [redacted] A NCIC check regarding this car was negative.

The Las Vegas Office advised on May 23, 1969, that the above-described license plates were registered to a 1965 Pontiac, and that the registered and legal owner was [redacted] Reno, Nevada. No record identifiable with [redacted] was located by the Police Department of Sheriff's Office. There was no record of a lost or stolen plate of [redacted]

b6  
b7c

The Las Vegas Office advised on May 26, 1969, that [redacted] had been personally contacted at Reno, Nevada, at which time she indicated she had been issued Nevada license [redacted] Observation by Bureau Agents of [redacted] car reflected that this automobile had 1969 Nevada license [redacted] affixed to the front and rear of the car. An inquiry of the Department of Motor Vehicle, Carson City, Nevada, on this same date indicated that 1968 registration for Nevada [redacted] was also for [redacted]

The Butte Office advised as follows on June 9, 1969:

The following investigation was conducted by SA [redacted]

AT MISSOULA, MONTANA:

On May 21, 1969, Patrolman [redacted] Missoula City Police, advised he had just stopped a couple traveling in a 1968 blue Plymouth Fury, two-door hardtop, bearing

DN 87-12392

Nevada license [ ] after he had observed this car traveling the wrong way on the exit at the Van Buren Street interchange on Interstate Highway 90. Patrolman [ ] stated the driver of this vehicle was described as:

Race	White
Sex	Male
Age	About 40 years of age
Height	5 feet 10 inches
Hair	Gray
Remarks	Moustache
Dress	Sports clothing

He produced a Nevada driver's license in the name of [ ] showing his address as [ ] Carson City, Nevada. This driver's license described [ ] as follows:

Age	41	b6
Date of Birth	[ ]	b7C
Height	5 feet 10 inches	

A woman was a passenger in this vehicle and she remained in the vehicle and he did not observe her closely. She is described as:

Race	White
Sex	Female
Age	Mid twenties
Remarks	Wearing "heavy" makeup

[ ] advised this individual acted "suspicious" and kept repeating, "I'm not under arrest am I." After checking the driver's license, [ ] asked this individual where he was headed and he replied he was looking for the Western Union Office. [ ] gave him directions to the Western Union Office in Missoula, Montana, then allowed him to depart after giving him a warning. He then contacted his headquarters and requested a NCIC check. He was waiting for the results of this check when he observed SA [ ] on the street and through radio contact with the Butte Office, it was determined [ ] was a fugitive. [ ] viewed Identification Order Number

DN 87-12392

[ ] and stated he is positive the individual he stopped was identical to the subject. His appearance was the same except he now has gray hair and a moustache.

With the cooperation of the Missoula City Police, the Missoula County Sheriff's Office and the Montana State Highway Patrol, roadblocks were set up on all the highways leaving out of Missoula, Montana. The Western Union Office was alerted and an officer from the Missoula City Police stood by at the office until the late afternoon when the roadblocks had been lifted.

All of the hotels and motels in Missoula, Montana, were contacted without developing any information concerning subject and his traveling companion. No record of any registration for the subject under his true name and known aliases could be located.

b6  
b7C

On May 23, 1969, Patrolman [ ] was informed that Nevada license plate [ ] which is registered to [ ] on a 1965 Pontiac four-door, had been accounted for. Patrolman [ ] stated he felt positive he had recorded the proper number on the plate when he stopped the [ ] vehicle. There is a possibility that this was not a Nevada plate and may have been from some other state. If it was not a Nevada plate, he does not have any idea what state it might have been from.

An All Points Bulletin regarding subject and his vehicle was broadcasted to all stations in western Montana on May 21, 1969. This same information was also relayed to all western states by State Police teletype on the same date.

On May 22, 1969, all stations were notified that Nevada license [ ] had been accounted for.

to one [redacted] who was arrested 11/8/68 at Brooksville, Florida. You should, if not already done, resolve any question that [redacted] may be identical with [redacted]

Report of SA [redacted] dated 7/22/68 at Denver contains interviews of [redacted] and [redacted]. It is suggested that the above be thoroughly interviewed for all information in their possession. Page three of this report also contains results of an interview with [redacted] the subject. It is noted [redacted] was reluctant to furnish additional background information. Consideration should be given to further interview of her by an experienced Agent as it is felt she may be able to furnish information vital to this investigation.

Subject has been described as a top jewel thief in the Chicago area. Chicago should review its files for any information that may be available under the top jewel thief program. Thereafter, set forth leads to all offices that participate in the top jewel thief program to contact all logical informants concerning [redacted]. Also, include his modus operandi and request that logical police departments in the larger metropolitan areas be contacted to determine if [redacted] has recently operated in their respective areas.

b6  
b7C

Report of SA [redacted] dated 5/24/68 at Denver on page 4 sets forth information that [redacted] during 1966 and 1967 furnished information concerning prostitution and narcotics matters. You should consider having informants familiar with prostitution and narcotics contacted in those divisions where [redacted] has been known to reside.

Review of this file reveals that the Chicago Office has knowledge of investigation that has been conducted in this matter. It is noted that [redacted] resided, worked, and many of his relatives reside in the Chicago division. Chicago must therefore share responsibility for this important Top Ten matter and undertake an aggressive, self-initiated investigation to locate [redacted]. Beginning 6/27/69 Chicago should submit a weekly airtel summary to reach the Bureau by Friday of each week.

Promptly advise Bureau of pertinent developments.

Re Bureau airtel to Denver, 7/1/69.

The Denver Office contemplates the following investigation to bring about the apprehension of captioned fugitive.

Butte airtel to the Bureau, 7/1/69, advised that Patrolman [REDACTED] of the Missoula, Montana, City Police positively saw [REDACTED] in that city on 5/21/69. It would appear from this that the subject is in travel status and consideration is therefore being given to contacting the Service Station Sentinel, a magazine that has coverage in the greater western U. S. This magazine in the past has been very cooperative and has placed in issues various information regarding subjects being sought by the FBI. This magazine goes to a large number of service stations and will afford a means of circularization of the subject through service station retail outlets in the Western part of the United States.

Butte will be requested to have Bureau Agents contact the Western Union office in Missoula even though Patrolman [REDACTED] did contact that service on 5/21/69. It would appear possible that [REDACTED] may have waited for a period of time before contacting the Western Union if he felt that there was a possibility that he might be apprehended after he was stopped by the Missoula P. D.

The Denver Office has not yet received results of investigation requested of Las Vegas at Carson City, Nevada where subject is believed to have a valid driver's license registered to himself in the name of [redacted] as was displayed at Missoula. Las Vegas will be requested to search state motor vehicle records for various sequences of the Nevada license [redacted] since the Missoula P. D. recorded this license as the number of the car that [redacted] was driving. The license [redacted] has been checked out by Las Vegas and found to be a valid number that was accounted for and not registered to subject. The possibility exists that Officer [redacted] of the Missoula P. D. may have transcribed some of the numbers and their sequence in error when he stopped the subject in Missoula.

[redacted] is still unaccounted for and it appears that this individual is presently traveling with the subject. The Chicago Office will be requested to conduct extensive background concerning this individual in an attempt to learn of any other contacts of [redacted]. Efforts will be requested to obtain a photograph of [redacted] which may be of some assistance. b6 b7c

[redacted] was last employed as a nurse's aide and a request will be made to consider circularization of such agencies that would have need for such type of employee.

The Springfield Office has established an excellent family contact, [redacted] a sister of the subject who is very knowledgeable of the family activities. Chicago and Springfield will be requested to establish contacts with neighbors or other sources that would possibly be able to furnish information in the event the subject contacts any of these relatives.

Consideration will be given to causing checks of long distance calls to all relatives since subject appears to be out of the immediate Chicago and Springfield area.
